Leeds LS9 0AA

To let/may sell
**23 new trade and industrial/
warehouse units**
4,454 - 64,556 sq ft

Chancerygate BRIDGES

Strategic locations. Sustainable buildings.

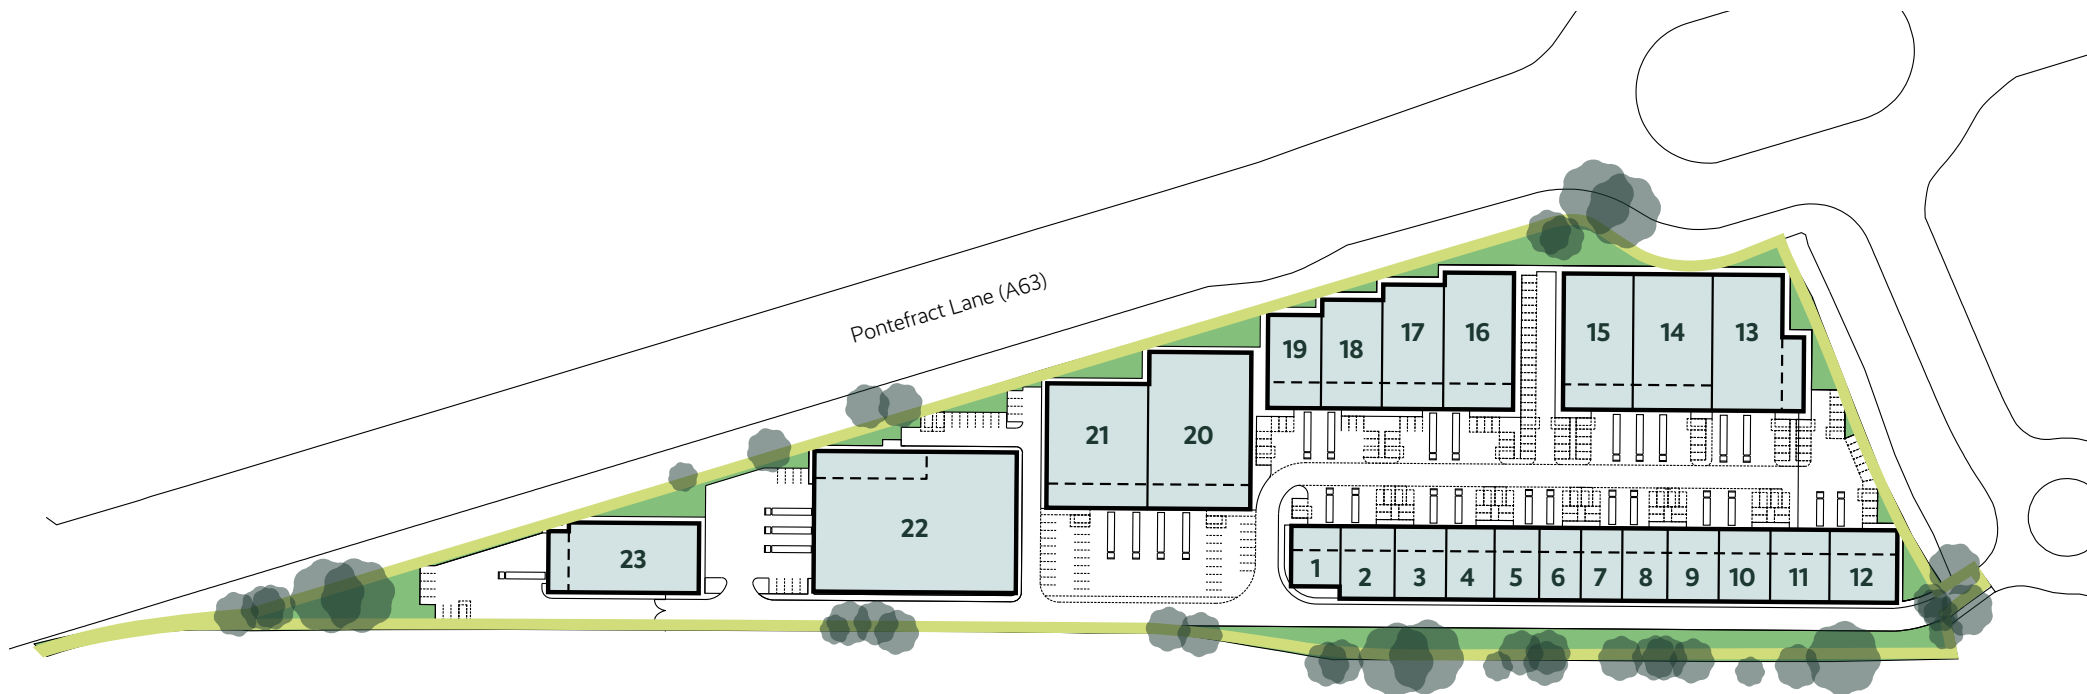

The site is situated in a highly prominent position on the A63, a main arterial route into Leeds City Centre, which is 3 miles away.

It is in close proximity to new developments attracting DHL, Amazon, Beer Hawk, Premier Farnell, John Lewis, McLaren and Lamborghini and is just 0.5 miles from Junction 45 of the M1.

Leeds is the fourth largest city in the UK, with the region having a population of over 3 million people, and an estimated catchment of 7 million living within an hour's drive time.

Leeds has the largest regional economy outside London with a GVA of £69.6 billion.

Accommodation

All areas are approximate on a GEA (Gross External Area) sq ft basis.

Unit	Ground floor	First floor	Total
1	5,375	1,849	7,224

Sustainable approach.
Positive impact.

We take a forward-thinking approach to minimise our impact on the environment, from design and construction through to operation. Working with leading sustainability consultants, Chancerygate embraces the latest technologies and methods to achieve future-proof solutions.

Green initiatives at T45 include:

- Solar PV panels to all units*
- Air source heat pumps to all units
- High performance insulated cladding and roof materials
- Highly efficient LED lighting
- Low air permeability design
- Electric vehicle charging points
- 15% warehouse roof lights increasing natural day light
- Landscaped communal areas, enhancing biodiversity
- Exterior or interior cycle storage to encourage cycling to work
- Low speed limit restrictions to reduce emissions

*Through use of PVs, there will be approximately 245,700 kWh of energy generation on site. This will give an estimated annual cost saving of £78,624 or £0.35 per sq ft (GEA).
